NeuroFit Nutrition, LLC and its nutritionists provide a health coaching service that is committed to delivering clients with expert recommendations regarding their health and nutritional wellbeing. NeuroFit Nutrition takes a holistic approach to health and wellness by educating clients on how to support their body using functional nutrition strategies and customized wellness programs. In order to achieve this goal, we request new clients to review and acknowledge understanding of the following policies and payment procedures by providing your signature at the end of this agreement.

FEE SCHEDULE

- Initial Consultation In-Office or Virtual Visit: (55 minutes) **\$150**
- Follow-up Consultation In-Office or Virtual Visit: (40 minutes) **\$95**
- Follow-Up Consultation Package (5 Visits/40 min. each) **\$425** (\$475 Value)

CONSULTATIONS

Client understands that health coaching is not to be used as a substitute for medical advice/treatment. Initial Consultations are primarily information gathering sessions. The Nutritionist will review health history information and wellness goals with each client and then discuss a recommended plan of action. This may include Functional Nutrition Testing (blood work, urine testing, etc.), supplement recommendations, diet recommendations, etc. Follow-Up Consultations are advised every 2-4 weeks. This is necessary because diet and supplement protocols should be adjusted periodically as biomarkers begin to change. NOTE: After each consultation, the client may call, text, or email once with follow-up questions. Each additional phone call, text message, and email will be billed as a Phone/Email Consultation.

MISSED APPOINTMENTS

The client agrees that if he/she is unable to keep an appointment, he/she will provide a minimum of 24 hours prior notice to the nutritionist by leaving a message, sending an email, or speaking with the nutritionist directly. If an appointment is canceled or missed without 24-hour notice, the client understands that he/she will be billed for the entire session. Exceptions may be made for emergencies.

PAYMENT METHOD

Payment for services is expected prior to or at the time of the appointment and can be made by check, cash, credit card, or cashier's check/money order. Should the client's account remain unpaid for 30 days, the nutritionist reserves the right to suspend services until charges are paid in full or a suitable payment arrangement is agreed to in writing by both the client and the nutritionist. If legal means are required to secure payment, legal costs will be charged to the client. A processing fee of \$30.00 will be charged for all returned checks.

INSURANCE

The client acknowledges and understands that NeuroFit Nutrition, LLC and Nikki Drummond, CCN, do not accept insurance or government funded assistance programs as payment.
